

PUBLIC ANNOUNCEMENT – 22/01/14

It is with great pride and excitement, that we officially confirm and release our Football Department Managers and Senior Coaching Staff for 2014.

As earlier publicised, this year see many changes to our great club. Once more we have become one club, united by the love of the game and our community.

New in 2014 to our Football Department Management and our Senior Coaching Staff is;

George Hughes - Development Coordinator

George's role has specifically been created to develop and support our Junior aged players, coaches, team manger and parents. George will start the year with facilitating a Soccer Academy for our junior players and will work very closely with the Department Managers and Executive Committee, to help us improve the technical offering to our younger members and their families.

Bruce Graham- Men's Reserve Coach

We welcome Bruce Graham back to our senior club but this time as a Coach. Bruce returns to us after holding a senior coaching roll for the last 2 years at another club. Bruce is a born and bred 'Barker', having played at the most senior level for many years with us. We believe that Bruce Graham and Andy McCabe working side by side will be a force to be reckoned with!

Bruce Boyd- Men's Under 18's Coach

Bruce Boyd takes a natural progressive step in this role, after his amazing record last year coaching our Under 16's. Bruce has been coaching at Mooroolbark for many years, and after his team lost only 1 game last year on their way to winning the League and then State Championships, we are very excited to see what these boys can do this year.

I would like to thank these individuals for joining us, and welcome them in their new roles. 2014 sees many new changes and much hard work to continue to build on the electric culture and great history this club has.

We will soon release and confirm more junior and Women's focused roles and appointments for 2014. We trust each appointment will get our members full support.
